

TALK IT OVER

LEFTOVERS | PASTOR TROY STEIN

KEY SCRIPTURES

Message Scriptures:

John 6:1-15

Deuteronomy 18:18

Exodus 16:2-35

START TALKING

Do you enjoy leftovers?

What was the last leftover dish you threw away and why?

START THINKING

Read John 6:1-15 AND Exodus 16:2-35. From these miracles, what do you believe God thinks about leftovers? Explain.

Pastor Troy said, “The Old Testament story taught us that *sharing* wasn’t the point...*survival* was. The New Testament flipped the script and teaches us that no longer is *survival* the point...*sharing* is the point. How do you feel about that statement?

What are we supposed to be sharing?

START PRAYING

Jesus, I truly believe that something better is coming! Thank you for preparing me for such a time as this. Thank you for leftovers. Help me to share your Bread while there's still time. In Jesus' powerful Name, Amen.

START DOING

When you reach for the leftovers this week, say a thank you prayer that Jesus loves you.
